

Keith speaking in Bratislava, Slovakia 2005

"Food Not Bombs is perhaps the best, single idea to come out of the Anarchist Movement in the last fifty years" - Eating Fossil Fuels: Oil, Food and the coming Crisis in Agriculture by Dale Allen Pfeiffer, Page 80 (New Society Books, 2006)

**PRESENTATIONS ON**

Hunger • Globalization • Poverty • Peace  
 Nonviolent Social Change  
 Community Organizing • Alternative Media  
 Activism • Human Rights

Audience listens to the Food Not Bombs presentation in Taos, New Mexico.

"Since when did feeding the homeless become a terrorist activity?" asked ACLU Associate Legal Director Ann Beeson. "When the FBI and local law enforcement target groups like Food Not Bombs under the guise of fighting terrorism, many Americans who oppose government policies will be discouraged from speaking out and exercising their rights."

Keith sharing food in Lagos, Nigeria in 2006
